### **About the Global Interdependence Center**

The Global Interdependence Center is a Philadelphia-based nonprofit organization that seeks to stimulate thoughtful, global dialogue on a wide range of issues that affect the international community, including economics, health care and government. GIC convenes conferences and roundtable discussions, both domestically and internationally, to identify and address emerging global issues. For more information, visit GIC's website at [www.interdependence.org](http://www.interdependence.org).
