Fannie Mae Chief Economist to Speak in Sarasota on April 28

SARASOTA, Florida –

What: Putting Housing in Context

Who: The Global Interdependence Center and the New College of Florida welcome Douglas Duncan, named one of Bloomberg / BusinessWeek's 50 Most Powerful People in Real Estate, on April 28. Duncan is Fannie Mae's source for information and analyses on the external business and economic environment, the implications of changes in economic environment to the company's strategy and execution, forecasting for housing activity, demographics, overall economic activity, and mortgage market activity. In addition to his role as chief economist, he is also chairman of the Fannie Mae Corporate House Price Forecast Committee.

Where:
New College of Florida
Mildred Sainer Pavilion
5313 Bay Shore Road
Sarasota, FL 34243

When: Thursday, April 28 at 5:30 p.m.

Contact: For more information, please contact David Gulliver, News Services Manager at New College of Florida, at dgulliver@ncf.edu or 941-487-4154.

About New College of Florida

New College of Florida is a national leader in the arts and sciences and is the State of Florida's designated honors college for the liberal arts. Consistently ranked among the top public liberal arts colleges in America by U.S. News & World Report, Forbes and The Princeton Review, New College attracts highly motivated, academically talented students from 40 states and 25 foreign countries. A higher proportion of New College students receive Fulbright awards than graduates from virtually all other colleges and universities. Learn more at www.ncf.edu.

About the Global Interdependence Center

The Global Interdependence Center is a Philadelphia-based nonprofit organization that seeks to stimulate thoughtful, global dialogue on a wide range of issues that affect the international community, including economics, health care and government. GIC convenes conferences and round table discussions, both domestically and internationally, to identify and address emerging global issues. For more information, visit GIC's website at www.interdependence.org.
