**Find out why the demise of manufacturing in the U.S. is greatly exaggerated  
at GIC conference in Sarasota.**

*TWEET:* Warm up this winter and join [@interdependence](https://twitter.com/interdependence) for a conference on manufacturing in the United States in sunny Florida on Feb. 1! <http://bit.ly/2yFNEFx>

SARASOTA, FLORIDA-

**WHAT**                    **U.S. Manufacturing in a Global Context:** The demise of manufacturing in the USA is greatly exaggerated. Come hear the real facts and objective analysis from Bill Strauss, Senior Economist and Economic Adviser of the Federal Reserve Bank of Chicago on Friday, February 1, 2019. GIC is delighted to partner with the Financial Planning Associates of the Suncoast and Cumberland Advisors in bringing Bill Strauss' presentation on U.S. Manufacturing in a Global Context to the Sarasota Yacht Club.

**WHO**                    Bill Strauss, Senior Economist and Economic Adviser, Federal Reserve Bank of Chicago

**WHEN**                Friday, February 1, 2019 | 8:00 a.m. – 9:30 a.m.

**WHERE**                Sarasota Yacht Club  
(Address: 1100 John Ringling Boulevard Sarasota, FL 34236)

###

**Contact:** To register for this event or for more information, please contact Colleen Murphy, Manager of Marketing and Communications, at [cmurphy@interdependence.org](mailto:cmurphy@interdependence.org) or 215-238-0990.

**About the Global Interdependence Center:** The Global Interdependence Center (GIC) is a Philadelphia-based nonprofit organization that seeks to stimulate thoughtful, global dialogue on a wide range of issues that affect the international community, including economics, health care and government. GIC convenes conferences and roundtable discussions, both domestically and internationally, to identify and address emerging global issues. For more information, visit GIC's website at [www.interdependence.org](http://www.interdependence.org).
